

## VIDEO PACKAGES

*Our award winning completely custom wedding videos are known for their artistic style and extra add on's like fun video highlights of the day. If you decide to put the time into this form of capturing your day, we will dedicate ourselves to making your wedding DVD a treasured keepsake.*

### Premium Wedding Video Package

This package gives you participation in deciding what professional elements will be included in the final movie as well as including the absolute details of the day. All of the way from the getting ready shots to (time permitting) the end of the evening, you will actually relive the happiness, laughter and tears, ceremony and reception again and again, only better!

- .....Up to 6 hours of coverage
- .....Your choice of music in the final video
- .....Our one of a kind wedding Highlights section
- .....A beautifully presented silk covered DVD with chapters
- .....Interview session(if desired) and stories in the final video

### The "Whole Event" Wedding Video Package

Just a little more of the good stuff than all the rest. Along with everything above in the Premium Wedding Video Package, with this package you can break up your hours with us for the day to include hair and makeup appts, video of the groomsmen golfing prior to the wedding day, set up of the reception site – you have us for the day, take advantage!

- .....Up to 8 hours of coverage
- .....Your choice of music
- .....Wedding Highlights section
- .....Three beautifully presented silk covered DVD's with chapters
- .....Interview session(if desired) and stories in the final video

Per Hour professional video footage / \$700edited(one DVD) /\$300nonedited(one VHS)

\*Per hour footage not available on weekends unless adding onto a package
