

## PHOTO AND VIDEO PACKAGES

*Our photography/videography packages are our most popular. You get a better hourly rate all of the way around and you get the benefits of favorite photographs from the day put into your final video, this makes the video incredible! – As well as this you know you have a team of professionals at your event that are working on the same page. It's a plus plus!*

### The Reisling Collection

Perfect for smaller wedding parties or brides/grooms that are more interested in a combo package than covering the entire event only through photo. With this package, you get the most important events of the day with photo-getting ready and if planned right, most of the events of the reception AND the arrivals, ceremony and portraiture session along with highlights in the video. We usually have requests to stay an additional hour with this package at larger events(\$550 per hour additional) but for a smaller event it is truly a perfect package.
